The Danish Institute at Athens is pleased to invite you to
a lecture in English by

Lars Holten, Director
SAGNLANDET LEJRE - Land of Legends
Centre for Historical-Archaeological Research and Communication

***“From Silent Cultural Heritage to Active Living Memory
Examples of Involving People in Historical Experiences”***

Thursday 23 May, 7 p.m.
at the Danish Institute

SAGNLANDET LEJRE has since its foundation in 1964 as a private institution been a pioneer in combining scientific experimental archaeology with educational programs for schools as well as popular communication of prehistoric living for the public. This lecture exemplifies how e.g. experimental archaeologists have a unique possibility to contribute to important needs and challenges in modern society through the way we explore and communicate cultural history, provided that we allow our fellow citizens to engage and be involved in our work where it is suitable.
