

## INTERNATIONAL NETWORK ON JADE CULTURES AROUND THE WORLD

Workshop in Athens from the 4th to 5th of June 2019 at The Danish Institute in Athens (Herefondos 14, Platia Aghias Aikaterinis, Plaka) supported by the Danish Agency for Science and Higher Education in their International Network program

**All papers are 15 min. presentation followed by 5 min. for questions.**

### Program Tuesday the 4<sup>th</sup> of June

Lecturer	No	Time		Talks
Lasse Vilien Sørensen	1	10-10.15		Intro - the big why
George Eugene Harlow	2	10.15-10.35		Geological environments that create jade (jadeite jade) and where to find them
Tonci Balic Zunic	3	10.35-10.55		XRD on jade - possibilities and limits
		10.55-11.10	Break	
Tonny Bernt Thomsen	4	11.10-11.30		ICP-MS on jade - possibilities and limits
Gareth Davies	5a	11.30-11.50		Geochemical characterization of Circum-Caribbean jadeite sources: Implications for provenance studies
Casper J. Toftgaard/ Gareth Davies	5b	11.50-12.10		Jade artefacts in the Hatt Collection (jade from the Caribbean)
Michael Brandl/Christoph Schwall	6	12.10-12.30		Provenance analysis of raw materials in the Cukurichi Höyük, Western Anatolia
		12.30-14.00	Lunch	
A. Katerinopoulos/C. Mavrogonatos	7	14.00-14.20		Jadeite occurrence in Syros Island, Aegean Sea, Greece: Petrographic remarks and implications for early exploitation
Aral Okay	8	14.20-14.40		Jade and jadeite in Turkey
		14.40-15.00	Break	
Zafer Derin	9	15.00-15.20		The polished stone axes, adzes and chisels, "In Izmir's Prehistoric settlement area -Yesilova Höyük"
Onur Özbek	10	15.20-15.40		Preliminary notes on the Prehistoric marble and magnesite bracelet-bangle production in Anatolia
Tatsuki Tsujimori	11	15.40-16.00		Asian Jade sources: Petrological diversity of jadeite jade

		16.00- 16.15	<b>Break</b>	
Ilona Renate Bausch	12	16.15- 16.35		Exchange and trade of jade objects in Japan/Korea
Yoshiyuki Iizuka	13	16.35- 16.55		Non-invasive mineralogical study of nephrite jade objects in Southeast Asian Prehistory: Implication for jade exchange network and their sources
Ruslan Kostov	14	16.55- 17.05		A nephrite jade – prehistoric timescale

### **Program Wednesday the 5<sup>th</sup> of June**

Conference at The Danish inst. Round table discussion:

Overall discussion	15	10.00- 12.00		Results, challenges, problems, solutions, future aspects
<b>Lunch</b>		12.00- 13.30		Publication of this network meeting?
Publication	16	13.30- 14.00		Publication of this network meeting?
Fundraising	17	14.00- 14.30		Future projects and network meetings
Next meeting	18	14.30- 15.00		Planning the next meeting in Japan
